

You are invited to

A Service in Lament of Homelessness

in **Leicester Cathedral**
on **Wednesday 7 October 2026** at **5.30pm**

A gentle reflective gathering to remember those who have died on our streets or without permanent homes. It will also be an opportunity to lament the facts around homelessness, considering how we can work together for positive change and support one another in this endeavour. After the service, of around 45–50 minutes, you are warmly invited to enjoy light refreshments afterwards, to wander around the Cathedral and to catch up with folk.

RSVP

by registering on the Cathedral Eventbrite
